

# Kinghorn Lifeboat Station

## Crew Profile

Dave Galloway  
Tractor Driver

Age: 63

Years RNLB Service: <1

Profession: Retired

Family: Partner. Also two grown up sons

Why do I volunteer? I sometimes ask myself the same question; it's a feeling of worth, maybe I can still 'contribute', I've learned a lot, things I never encountered in my past life, and if just one life can be saved by me helping the 'young uns' who go out on the boat, it's worth it, good job... Make Time!
