

The Yellow Welly

Fundraising for Kinghorn RNLI Lifeboat

December 2016 no 12

Merry Christmas
from the Crew and Fundraising Team
at Kinghorn Lifeboat

A huge “thank you” from all the volunteers at Kinghorn RNLI for your wonderful support throughout 2016. We have all enjoyed staging our events for you and we hope you have enjoyed taking part!

The RNLI, as a nationwide organisation, has decided that from 1 January 2017 house-to-house collections will no longer take place. All of us at Kinghorn RNLI wish to thank you for your donations during our house to house collections over the past years as we have been privileged to receive tremendous support from the community. Should you wish to collect your loose change during the year and donate to the service, we are able to provide small collecting boxes for this purpose. Please contact fundraisers@kinghorn.org.uk

Thank you from the bottom of our Yellow Wellies for your continued support and we send you all our best wishes for 2017.

Sheona Smith, Chairman, Kinghorn RNLI Fundraising.

The Lifeboat Crew organised the first ever family Santa and Elves Run around the Kinghorn Golf Course perimeter. A great turnout of families came along on a beautiful sunny day to get their Santa and Elf outfits and take part. The magnificent sum of £ 400 was raised on the day to support the RNLI.

Thank you to everyone who supported this fun event. See you next year !

**Kinghorn RNLI Lifeboat Fundraising
Branch and the local Kingswood Hotel
held their Christmas Shopping event,
raising £4,150.00 for Kinghorn RNLI
Lifeboat.**

The hotel hosted the Christmas shopping event, with 22 stalls offering a wide variety of gifts including art, jewellery, handbags, beauty products, cosmetics, spirits and handmade gifts. There were demonstrations of parcel wrapping, candle decorating and Christmas table arrangements and a generous selection of raffle prizes. The star prize was dinner, bed and breakfast at the Kingswood Hotel.

Kinghorn Lifeboat fundraising chairperson, Sheona Smith thanked the Kingswood Hotel for hosting the spectacular event and for helping to raise such a great amount for the RNLI. She also thanked everyone who came along to support the event, stall holders and supporters alike.

It costs around £85,000 per year to run an inshore lifeboat station such as Kinghorn, and money raised at events is essential to support the RNLI
